

Special Overview Presentations

Middle School—RESIST (Radically Empowering Students in Superhero Training)

- Move over Batman, Spiderman, and all the rest! There's a new Superhero in town! This session will equip students with super powers to successfully complete their mission of healthy relationships in the teen years!
- Presentation discusses 3 important aspects of all superheroes: sidekicks, strength and guts (patience).

High School—Minions to the Rescue: Saving you from “Despicable” Relationships!

- What does the movie “Despicable Me” have to teach us about relationships? Join us as we explore relationships through the eyes of Gru and his minions!
- Presentation discusses healthy versus unhealthy relationships by looking at boundaries, intentionality, communication and time and refusal skills to avoid unhealthy relationships.

6th and 7th Grade Presentations (some appropriate for 5th grade)
